Welcome, Butte County Law Library is operating on a reduced schedule owing to COVID-19 and budgetary constraints that are beyond our control. Staff is working half-time. Law Library hours are now limited to **Mondays Tuesdays and Wednesdays from 8:30 to 4:30 pm.** While Walk-in appointments will now be scheduled on Wednesdays, we will be calling you and emailing you – or videoconferencing with you – the other days. If we don't pick up the phone during regular business hours, all that this means is that we are on the other lines, or busy. **Please leave a message at 530 538-7122 and email us at public law librarian (all one word) at gmail.com.** We will be checking messages twice daily. Emails help us to help you more directly. If you would like to send a fax, our fax number is 530 534-1499

Additional Open Hours will return when funding improves.
